

BONUS WORK

Extra credit work is a list of skills and memorization that we suggest kids have in their hearts and minds by the time they reach 6th grade. This work can be completed in ANY order throughout the K—5th Grade years. However, we ask that you only give your kids credit once for their work. For instance, if your kids learn The Beatitudes this year, give them credit. Next year when you review, don't give them credit again for reviewing and brushing up on their memorization. All points can be redeemed for merchandise in the Kidz-Town Store. Simply, circle and initialize each item as they are completed.
